Due to the mandatory COVID-19-related Maryland school closures from March 16, 2020 to the end of School Year (SY) 2019-2020, the Howard County Public School System (HCPSS) instituted a revised grading framework for Quarter 4. If a student participated by completing 50% or more of the posted assignments for a course, they received a "Pass" in that course. A pass was calculated as an "A" for the Quarter 4 SY19-20 grade. Students who did not earn a "Pass" were given an "N/A" or "Not Available" which is not calculated into the final grade or GPA. This grading only applied to Quarter 4 of 2020. Final grades for SY 19-20 were calculated from Quarters 1-4 grades and the midterm. There were no final exams given in Quarter 4 SY19-20.
